ASSOCIATION NAME: ECE ASSOCIATION

EVENT 1 – GUEST LECTURE AND INAUGURATION

Date : 19.07.2024

Chief Guest : Mr. V. Anagappa
Managing Director
Spaark Technologies

Venue : D Block Ground Floor

Title : Future industry : Innovative and Entrepreneurship

No. of Participants : 150 Students

The inauguration of ECE association 2024-2025 and a Guest Lecture on “Future Industry Innovation and Entrepreneurship” on July 19, 2024. Mr. V. Anagappa, Managing Director of Spaark Technologies, served as the Chief Guest and shared valuable insights on emerging industry trends, innovation, and entrepreneurship. He encouraged students to explore technological advancements, startup opportunities, and industry-driven research.

EVENT 2 –GUEST LECTURE

Date : 03.09.2024

Venue : I 606

Title : Unlocking your potential : Personal and Carrier Development

No. of Participants : 60

A Guest Lecture on “Unlocking Your Potential: Personal and Career Development” on September 3, 2024. The session aimed to inspire students to enhance their personal growth, skill development, and career readiness. The expert speaker provided valuable insights on self-improvement, goal setting, industry expectations, and strategies for professional success. The lecture motivated students to identify their strengths, overcome challenges, and take proactive steps toward building a successful career.

EVENT 3 – GUEST LECTURE

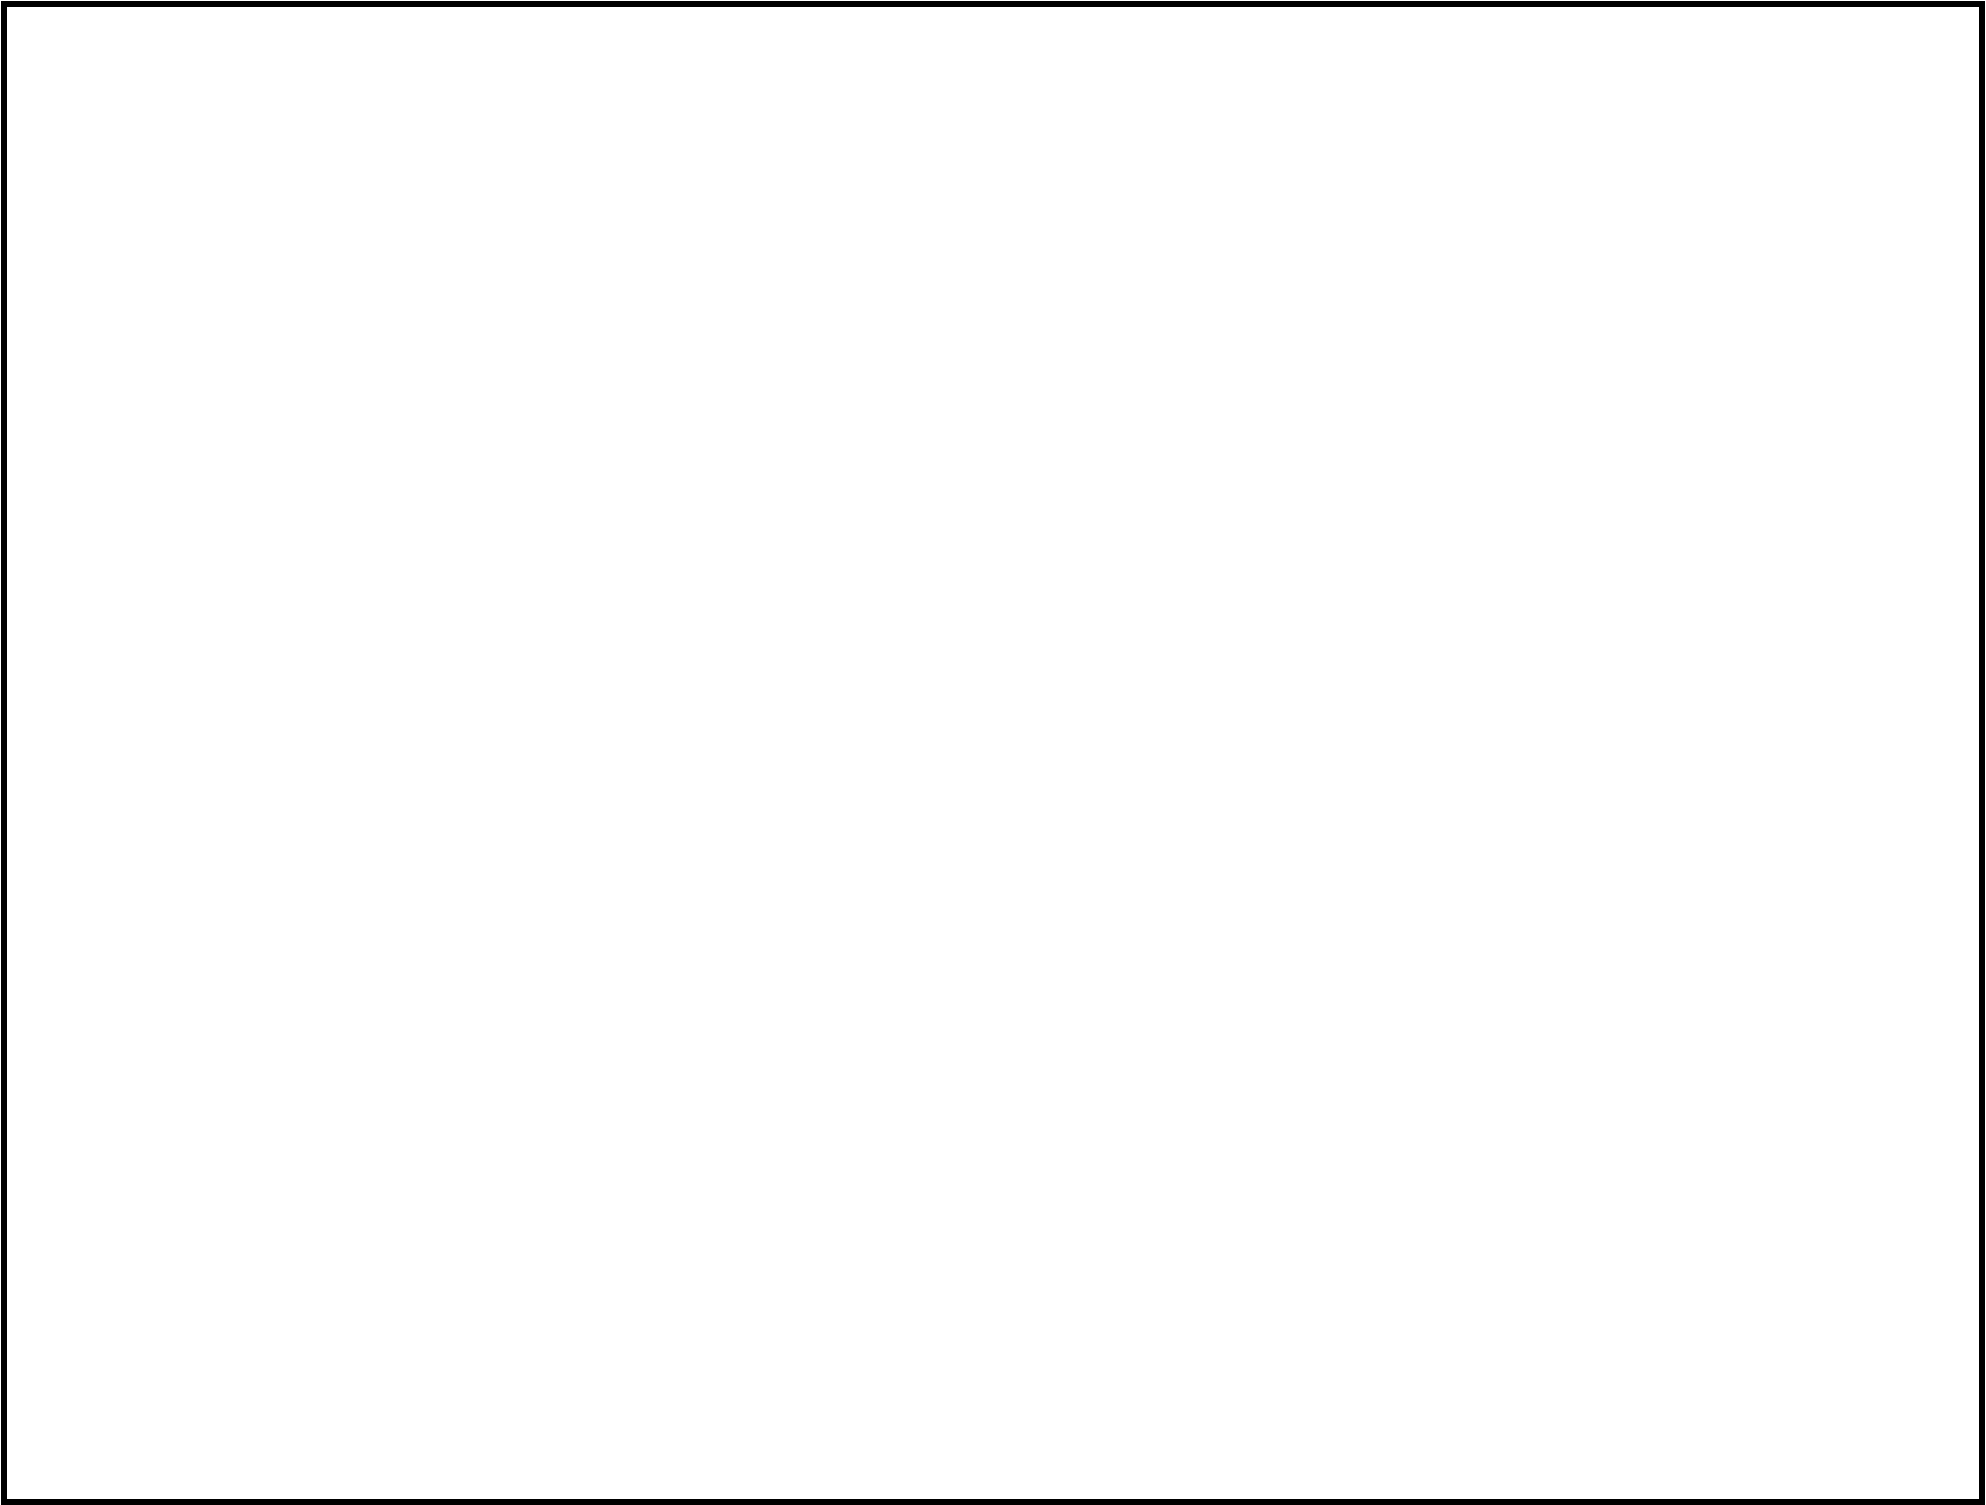

Date : 06.09.2024

Venue : I Block Seminar Hall

Title : Career Stratagem

No. of Participants : 50

On September 6, 2024 conducted a Guest Lecture on “Career Stratagem”, with Ms. R.K. Sukanya as the Chief Guest. The session focused on effective career planning, industry trends, and strategies for professional growth. Ms. Sukanya shared valuable insights on skill development, job market expectations, and pathways to achieving career success. She emphasized the importance of adaptability, continuous learning, and goal setting in today’s competitive world. The lecture provided students with practical guidance and motivation to build a strong foundation for their future careers.

EVENT 5 –EMPOWER YOUR CAREER PLACEMENT READINESS WORKSHOP

Date : 04.12.2024

Chief Guest : P Balamuthumareiswari
Lecturer
Department of basic science (English)
PSG Polytechnic college

Venue : I 605

Title : Empower Your Career Placement Readiness Workshop

No. of Participants : 50 Students

We conducted a Placement Readiness Workshop titled “Empower Your Career” on December 12 2024 to prepare students for successful job placements. Held under the guidance of Chief Guest Ms. P. Balamuthumareiswari, Lecturer, Department of Basic Science (English), the workshop focused on enhancing communication skills, resume building, interview techniques, aptitude training, and professional etiquette. Ms. Balamuthumareiswari emphasized the importance of effective communication and confidence in securing job opportunities.

Chief Guest : Mr. R Lakshmanan
Lead Embedded System Design Engineer
Intellicar Telematics Private Limited

Venue : I 605

Title : Battery Management System And Electric Drivers In EV

No. of Participants : 50 Students

Guest lecture on “BMS (Battery Management System) and Electric Drives in EV” on March 11, 2025. The session featured a Lead Embedded System Design Engineer from Intellicar Telematics Private Limited as Chief Guest. The lecture provided valuable insights into the importance of BMS, the role of electric drives in electric vehicles (EVs), and the latest advancements in EV technology. The expert speaker discussed power management, energy efficiency, and real-world applications of BMS in modern electric vehicles. The session helped students gain a deeper understanding of EV technology, industry trends, and career opportunities in this growing sector.

Date : 25.03.2025

Chief Guest : Mr. P Sivanesan
Managing Director
Innovative Engineering Services

Venue : D Block Ground Floor

Title : Innovation on Robotics

No. of Participants : 150 Students

The guest lecture, delivered by P Sivanesan in the field, covered key innovations, emerging technologies, and real-world applications of robotics. The session provided valuable insights into the future scope of robotics in various industries. The event concluded with a valedictory session, where achievements of the students in various field were highlighted, and students were appreciated for their enthusiastic participation. The program served as an inspiring platform for students to explore and innovate in the field of robotics.
