

## **PSG POLYTECHNIC COLLEGE**

PSG Polytechnic College, established in the year 1939, a pioneer institute in the field of Technical Education and Research is a Government aided, ISO 9001:2008 certified Institution with Autonomous status from 1976. This aids it to have a flexible curriculum and updated syllabi. The Polytechnic College has the best laboratories with free access to the students and prepares them with the latest method of learning industrial practices. The industry attachment Programme, compulsory for all courses provides the students an exposure for current industrial practices. The college is located in the same campus as the PSG Industrial Institute and PSG College of Technology.
