PONGAL CELEBRATION '23

       "Pongal" - the festival of harvest , holds a lot of significance for the people of Tamil Nadu. The festival is celebrated across the country, with a distinct regional essence even though the forms are different but the purpose remains the same, marking the onset of the spring season.

The Students of Department of Information Technology, PSG Polytechnic College celebrated Pongal on January 13, 2023. As a part of the celebration, a small pot of pongal is placed with all sugarcanes aside. The N- block ground wore a festive look with decorated Pongal pot, sugarcanes and other decorations enhancing the festival sprit. The celebration began with a thamizh thaai vazhthu, followed by a message, which reminded us about the importance of the harvest festival. Various cultural programs, that included songs by students and faculty of IT was a audio treat. The Highlight of the day was indigenous games like kabadi- a grand and tough victory , lucky corner and tug of war . The spirit of being together even in different culture and races are altogether as a one spirit.

Thanks to the nation and PSG - the pride of Coimbatore.
